The following pages contain Mars Redback Currency designs which will be used for printing Mars Redbacks. This currency is a private currency that will be circulated as legal tender following the inevitable collapse of the US Dollar. These currencies are to be accepted in all forms of commerce and any and all transactions used with the Mars Redback are intrinsically a certification of allegiance from both the buyer and seller to Mars 360 and all of its precepts as laid out in the Mars 360 Religious and Social System, which includes the recognition of Armaaruss.
